Location, General Directions, Phone Numbers

We are approximately ½ block south of the intersection of University and Interstate-30 facing the Trinity River Trails. Restrooms are located to the right as you come into the building. **This is an older building, with approximately six steps to the front door, and is not equipped for persons with disabilities. We apologize in advance for any inconvenience.**

For weekend or evening appointments: Our building is automatically locked on the weekends by 1pm and at 7pm on weekdays. If the door is locked we will meet you at the door at your appointed time to let you into the building. If you have any problems please contact us at the main number.

IMPORTANT CONTACT NUMBERS

(817-219-7913) main number

All appointment issues including change and cancellations can be made without charges 24 hours ahead or by calling or texting the main number.

Silence Please! Hypnosis or Counseling sessions in progress. We appreciate your efforts in assisting us to keep the reception area quite for our clients and ask that you do not knock on the inner doorway so as not to disturb the session in progress. Once you enter the reception area have a seat and wait for us to come and escort you into the treatment area. We strive to keep our appointments on time and to give each client the best experience possible.

APPOINTMENT POLICY: (Please read carefully and sign below indicating that you understand our policy).

Cancellations, Missed Appointments and Rescheduling Appointments Policy Clients will not be charged if the client cancels or reschedules **twenty four (24) hours before** the day of the appointment. For example, if the appointment is on Thursday at 4pm, in order not to be charged for an appointment, our office must be notified of the change no later than Wednesday at 4pm. **No exceptions.** Clients making cancellations, missing appointments or rescheduling on the same day as the appointment will be charged (at the regular rate for the service) for the time scheduled for that day, because we will be unable to utilize that time to schedule in another client upon such short notice. **No exceptions.** This is done to ensure that our appointment times are being best utilized. Many clients are needing to wait 1-2 weeks to come in. If we are given enough advance notice, then we are able to schedule our clients efficiently. We thank you for your respect, courtesy, and understanding in this matter and we look forward to serving you. Your signature indicates that you accept our policies

Hypnosis Client Information and Refund Policy

Evolve Hypnosis & Counseling Center

1525 Merrimac Circle, Suite 108, Fort Worth, TX 76107 (817-219-7913)

THE STATE OF TEXAS HAS NOT ADOPTED ANY EDUCATIONAL AND TRAINING STANDARDS FOR THE PRACTICE OF HYPNOSIS. THIS STATEMENT OF CREDENTIALS IS FOR INFORMATIONAL PURPOSES ONLY. ALL PROFESSIONAL HYPNOTISTS AT THE EVOLVE HYPNOSIS

& COUNSELING CENTER HOLD HIGHER DEGREES AND ARE CERTIFIED TO PRACTICE HYPNOSIS

Under Texas Law, a hypnotherapist/hypnotist may not provide a medical diagnosis or recommend discontinuance of medically prescribed treatments. If a client desires a diagnosis or any other type of treatment from a different practitioner, the client may seek such services at any time.

Fees and Billing: Fee information is given at the time appointment is made. Additionally your hypnotist will inform you of any relevant discounted package rates suitable to your issue.

Insurance: We do not bill insurance companies for services. We suggest you think of our services as something that you will pay for personally. That will both protect your privacy and help you value the work you are doing more.

Assessment and Duration of Treatment: Hypnotherapy is a brief therapy. It is difficult to predict the number of sessions you will require to resolve your issue, typically work is done in 2 to 4 sessions for single issues, however if you have more than one issue, more sessions will be needed.

Hypnosis is a very powerful process that has helped thousands of people to make the kinds of changes they want to make in their lives. However, these processes are not mind control or magic bullets. For example, no one, not even the very best hypnotist, could make you lose weight, or stop smoking if you really don't want to. Most people (but not everyone) begin to experience the benefits from the very first session, and many times are able to get what they need in 2 to 4 sessions for most issues. However, results are highly individualized from person to person.

Ultimately, you are responsible for the changes that occur as a result of our services. This is both the "good" and the "bad". It is "good" because, after you have made the changes you want, you deserve a great deal of the credit, and this knowledge helps you to make more changes in your life. But, on the other hand, it is bad because we cannot guarantee that the changes will come about. In fact, this is true in any situation where a professional is trying to help you. There is always the human factor. Doctors don't guarantee that you will get well. Teachers can't guarantee that you will learn, and lawyers can't guarantee that you will win your case. What we can guarantee is the very best service for your situation.

Refund Policy: Like any other healing art, the practice of hypnosis is not an exact science; therefore, results are not guaranteed, nor or any refunds given for services rendered. If you purchase a discounted multi-session package, please understand that for any reason, you do not complete all sessions, your refund for unused sessions will be pro-rated based \$170 initial session rate. No refunds will be given after 90 days.
